

Privacy Policy

At Direct iT, one of our most important responsibilities to you, our customer, is the safekeeping of the nonpublic personal ("confidential") information you have entrusted to us and using this information in a responsible manner. Appropriate use of the confidential information you provide us is also at the heart of our ability to provide you with exceptional personal service whenever you contact us.

Collection and Use of Confidential Information

We request information from you for our own legitimate business purposes. We limit the collection, use and retention of confidential information to what we believe is necessary to administer our business, to provide you with exceptional quality of service.

Our Protection of Confidential Information

We will safeguard your confidential information. A fundamental element of safeguarding your confidential information is to provide protection against unauthorized access or use of this information.

Our employees will use this information to complete their responsibilities, to maintain your network, to complete a project that you authorized, to notify you of new products and services, or otherwise meet your needs.

Sharing Information within Direct iTs' Family of Companies

We will not share any information about you within our corporate family, except as expressly authorized by you.

Sharing Information with Third Parties Outside Direct iTs, Family of Companies

We will not share your confidential information with any company or third party outside the Direct iTs family of companies, except as expressly authorized by you.

Former Customers

Even if you are no longer our customer, our Privacy Policy will continue to apply to you.
